

New service available from the RADE Curriculum Centre

Rights respecting education (RRE) – a global values framework to support SMSC development, Prevent and fundamental British values (FBV)

An opportunity for staff to explore the rights respecting (RR) approach to education which underpins and drives many other initiatives promoted in schools including global citizenship, SMSC development, healthy schools, Prevent and FBVs.

RRE is a Hampshire *Children and young people's plan (CYPP)* 2015-2018 priority:

"Promote RRR (UNCRC) to help children become responsible citizens, understand and promote their own rights and responsibilities and respect the rights of others".

Further to the recent school communications: [SC013971](#), regarding registering with the Global Learning Programme (GLP) for e-credits.
