Global Learning programme

Don't miss out!

400 school-led networks for the Global Learning Programme (GLP) have now been set up across the country to help schools support raising standards by incorporating a global element into their teaching.

£500-worth
of CPD
funding!*

A new GLP network is being set up in your area now

A **local school** has become a GLP Expert Centre recently, and they are inviting you to join their network. This means that your school can gain access to the **free school-led training sessions** that your Expert Centre will run over the coming year. This is the **last chance** for your school to join a GLP network and get access to this government-funded training opportunity.

'The GLP provides a wider context for improving standards in core subjects. Children become passionate and engaged, and you, as a teacher, rediscover that spark that drove you to become a teacher in the first place.'

Sam Olubodun, Meadow Primary School, Great Sutton, Cheshire

Over 5,500 schools registered!

How to join your local GLP network

Simply register your school for free as a GLP Partner School at www.glp-e.org.uk, and we'll put you in touch with the school leading your local GLP network (where possible). You'll also get access to up to £500-worth of funding,* and free guidance and resources!

Benefits of joining the GLP

In addition to free training sessions run by your local GLP Expert Centre, being a GLP Partner School also gives you access to:

- up to **£500-worth** of funding* to support further training
- a personalised **action plan**
- **curriculum** and subject guidance
- an abundance of **free online resources**.

Make global learning the 'golden thread' of your teaching!

Your school could also be part of the programme now being **used by over 5,500 schools** in England to help improve pupils' engagement, knowledge, skills and values. Register your school today for free at www.glp-e.org.uk.

'Another key impact is helping pupils to see the big picture, making learning more relevant for them.'

*Sir John Lawes School,
Harpenden*

'We have empowered our children to take responsibility for their world, to understand their place in it and to be proud of who they are. Developing global citizens is the feature of good education.'

Claire Banks, St Werburgh's Primary School, Bristol

*The GLP is funded by the UK government. All schools can join the programme, but funding is only available to Key Stages 2 and 3 in state schools in England. The GLP in England (GLP-E) is managed by a consortium of partners: Pearson (lead), Geographical Association, UCL Institute of Education, Oxfam UK, Royal Geographical Society (with IBG), SSAT and Think Global.
